Patient Details:

Patient's Name : **RCI117 P16 10NOV2014**
Referred From : **Roslin Cells** Dept. Ref: **B14/6537**
Referred By : **Ewa Guzniczak**
Patient Ref No. : **RCP6247** Received: **14/11/14**
Clinical Details : **Fixed stem cell suspension for karyology**

Result:

Karyotype: **46,XX**

Comment: **A modal karyotype (in 18 cells) showed a normal female chromosome complement and banding pattern.**

In addition, two anomalous cells were also noted:

One cell 47,XXX
One cell 45,XX,-17
