# CERTIFICATE

This is to certify that the **human induced pluripotent stem cell line (UKKi007-B)** has been registered in the European Human Pluripotent Stem Cell Registry (hPSCreg®):  
<https://hpscrag.eu/cell-line/UKKi007-B>

Type of cell line  
hPSCreg® ID  
Other name(s)  
Generating institution  
Derivation country  
Associated disease

Human induced pluripotent stem cell  
UKKi007-B  
NP0014-5  
Klinikum der Universität zu Köln  
Unknown  
Catecholaminergic Polymorphic  
Ventricular Tachycardia

Evidence of pluripotency

Yes

Evidence for ethical provenance provided

Yes

## The registered information provides evidence that:

- the ethical provenance of the above mentioned cell line has been established and complies to the rules set by the European Commission for funding of research with human pluripotent stem cells.
- the donation of biological material was not influenced by undue pressure.
