# CERTIFICATE

This is to certify that the **human induced pluripotent stem cell line (ESi120-A)** has been registered in the European Human Pluripotent Stem Cell Registry (hPSCreg®):  
<https://hpscrag.eu/cell-line/ESi120-A>

Type of cell line  
hPSCreg® ID  
Other name(s)  
Generating institution  
Derivation country  
Associated disease

Human induced pluripotent stem cell  
ESi120-A  
RRMS PBiPS11-Sv4F-7  
Spanish Stem Cell Bank  
Spain  
Relapsing-Remitting      Multiple  
Sclerosis

Evidence of pluripotency      Yes  
Evidence for ethical provenance provided      Yes

## The registered information provides evidence that:

- the ethical provenance of the above mentioned cell line has been established and complies to the rules set by the European Commission for funding of research with human pluripotent stem cells.
- the donation of biological material was not influenced by undue pressure.
