# CERTIFICATE

This is to certify that the **human induced pluripotent stem cell line (UCSFi001-A-65)** has been registered in the European Human Pluripotent Stem Cell Registry (hPSCreg®):  
<https://hpscrag.eu/cell-line/UCSFi001-A-65>

Type of cell line  
hPSCreg® ID  
Other name(s)  
Generating institution

Human induced pluripotent stem cell  
UCSFi001-A-65

Baszucki Family Vascular Surgery  
Biobank - Stanford University School  
of Medicine

Derivation country  
Associated disease

Unknown

Evidence of pluripotency

No

Evidence for ethical provenance provided

Yes

Yes

## The registered information provides evidence that:

- the ethical provenance of the above mentioned cell line has been established and complies to the rules set by the European Commission for funding of research with human pluripotent stem cells.
- the donation of biological material was not influenced by undue pressure.
